Mr. Gene Edelbach  
President  
California Preparatory College  
245 E. Redlands Blvd. Ste. P  
San Bernardino, CA 92408

Dear Mr. Edelbach:

The Accrediting Commission for Community and Junior Colleges, at its meeting June 5-6, 2024, reviewed the Special Report and related evidentiary materials submitted by California Preparatory College. The Commission appreciated your spoken remarks. The purpose of this review was to determine whether the College has submitted the required reports and membership dues and demonstrated compliance with Eligibility Requirements identified in the Commission's January 16, 2024, action letter.

Upon consideration of the report and evidentiary materials, and the oral information noted above, the Commission acted to **Accept the Report** and **Issue Warning**. The Commission also acted to **accept the Teach-Out Plan** submitted as part of the Special Report.

The Commission found California Preparatory College had submitted all required reports and membership dues, except an external financial audit for 2023 and continues to be out of compliance with Eligibility Requirement 5 and 21. The college is **required to submit a second Special Report to address the deficiencies within (6) months**. The report is due November 15, 2024, and must include:

- External Financial Audit 2023

The accredited status of the institution continues during the warning period.

In accordance with federal regulations and the ACCJC *Policy on Commission Actions on Institutions*, compliance requirements and deficiencies must be addressed, and the institution must demonstrate that it aligns with Commission Standards and Policies within three years of first receiving notification of noncompliance, by January 2027. If the institution cannot document that it has come into compliance within the designated period, the Commission will take adverse action.

The Commission requires the College to disseminate the Special Report, Teach-Out Plan, and this letter to all campus constituencies and the public by placing copies on the College website within seven business days of your receipt.

If you have any questions about this letter or the Commission's action, please feel free to contact Dr. Mac Powell or the vice president assigned as liaison to your institution.

Sincerely,

Mac Powell, MBA, Ph.D.  
President
